

January 10, 2012

Women's Department
Ministers' and Deacons' Union
Northern Division Office of President
Angela M. Williams

Greetings All;
Women's Ministry, Mission, Deaconess, Young Matrons or Mothers Board President

I hope each of you enjoyed your Christmas and New Years Day services. It was the first time in years that Christmas and New Year's fell on a Sunday. What a wonderful way to begin the week in the house of the Lord. Giving God the praise, thanks and Glory He certainly deserves. I'm wishing for each of you in 2012 peace, love and joy. It's almost hard to believe we're getting ready for our fourth session and at the end of our first year under this administration.

I want to take this time to thank all of you; our vice presidents, officers, teachers, presidents and women of the Northern Union. Without your prayers, presence and financial support we could not have had the spiritual and successful year that we did in 2011.

Well in a few weeks we'll be in Dynamic city of Delray Beach at the St. Paul Baptist Church, Rev. Dr. Howard Barr, Sr. is pastor. We're preparing to have an awesome and anointed time and looking for you to be in attendance. We have also attached an At~A~Glance.

Thursday we begin our day with a inspiring devotion, Minutes of Morning Meditation, Hymns and Songs of the Church and our morning Workshop. We have a treat for the Thursday morning presentation that will educate us about our community and culture. Thursday evening services begin with Unity prayer at 6:30 followed by the 7PM service and then the 8:30 service.

Friday night at 6:00 we will meet again with our Pastors and Deacons for Unity Prayer. Immediately after prayer will have the Ordained Ministers Hour then our President's first address/message at 7:30 PM. President Willie Richardson would love to have you there.

We'll meet in the sanctuary at 7:50 on Saturday morning for another life changing experience. Our devotional leaders are in place, we will have a Morning Manna devotional lesson, **Healthy Me Healthy You** from our Nurses' Guild and **classes for all women** that are going to bless you tremendously. Teachers are in place and ready for this upcoming session.

Please share the flier and letter with all Mission, Women's Ministry, Deaconess, Mother's Board and Young Women's Presidents. Please feel free to call me with any questions and concerns 561.306.3677 or email angela@s4slonline.com
